How to download Your Package Downloads

First, Click the link JK Photography 413 sent you

- After that go to the appropriate Gallery (if you have multiple gallery sessions)
- From the Gallery Screen you will see Select Photos on the upper right option bar

After you select the Select Photos on the left side you will see Select: All | None (here you will select All)

After that you will see **DOWNLOAD** become available on the left side of the screen (select **Download**)

How to download Your Package Downloads

- On the screen that pops up, input your email address (this will email you a .zip folder containing all your photos)

How to download Your Package Downloads

- You will then see the **Processing Your Request** notification. Here you will go to your email and check for your email from us (If you have not received it please check your SPAM folder).
